

# X-GIN

Alcohol Content

750 ML - 44% ALC./VOL. (88°PROOF)

## Description

*X-Gin's recipe involves the juniper berry and 15 hand-selected specialty spices, herbs and botanicals sourced from all around the world. Painstakingly refined over 20 months in a process involving 100 trial recipes, the finalized product contains a hint of cocoa from Colombia, almonds from Piemonte (Italy), hazelnuts from Avola (Italy), wild pepper and whiff of vanilla from Madagascar. Its pure and soft aromas provoke an intense feeling of pleasure.*

## Tasting Notes

- Nose: soft, with vanilla & cocoa
- Palate: smooth, with cocoa & nuts
- Finish: light, cocoa

# Featured Drinks

## X-GIN TONIC

- Fill a glass with ice cubes
- 50 ml of X-Gin
- 150 ml of premium tonic (we recommend Fever Tree Mediterranean)
- 2 small pieces of fresh red fruit (strawberries, raspberries, etc.)

## X-NEGRONI

- 50 ml X-Gin
- 50 ml Campari
- 50 ml Vermouth
- Finish with a slice of orange and some ice cubes

## X-ITED

- 45 ml of X-Gin
- 8 ml Campari
- 5ml Orange Liqueur (eg. Cointreau)
- 22.5 ml lemon juice
- Put all ingredients in a cocktail shaker and shake. Double strain the mix into a chilled glass, garnish with an orange twist.

Of course you can use X-Gin in any typical gin-based cocktails as well.
