

# ROCKHOPPER —RUM—

Alcohol Content  
750 ml – 40% ALC./VOL.

### *Description*

*ROCKHOPPER is a 5 year old blend, straight from the ex-bourbon barrels, originating in Panama, Dominican Republic and Guatemala. The aging has only been done in old bourbon barrels.*

*Of course, ROCKHOPPER is intended to be experimented with... But, the whole idea behind this fantastic rum is to get people to start enjoying rum PURE again.*

*Freeze some cooling stones, put 3 of them in a glass and serve some ROCKHOPPER on top of them, sit back, relax and enjoy this smooth, balanced & rich taste.*
